

February 11, 2020

Juniors and Junior Parents,

All juniors will be taking the mandatory ACT Plus Writing college admissions exam at WHS on Tuesday, March 3, 2020.

WHS will be offering an ACT Prep Class from **February 24-27**. Students will be given a full length ACT exam covering Math, Science, English and Reading on Monday night. Tuesday through Thursday, we will have teachers from the different subject areas review each section of the exam with the students. Students may attend any portion they feel is relevant for them. The review will cost \$20 per student, regardless of how many sessions are attended.

If you are interested in having your student take this class, please complete the registration form below and return it to the Counseling Office by Friday, February 21 along with your payment (cash or check payable to WHS). Registration forms will also be available in the Counseling Office.

The class will be capped at 40 students. We will create a waiting list after that, and make every effort to set up more sections.

Here is the ACT Prep Class schedule:
