**ENFORCEMENT PROCEDURES FOR STUDENT ALCOHOL
AND OTHER DRUG USE POLICY VIOLATIONS**

If a designated school official or law enforcement officer has reasonable suspicion that a student is under the influence of alcohol or drugs in violation of this policy and implementing rule, a student may be required to submit to a breath test or another form of drug test to determine the presence of alcohol or drugs. Such test shall be administered by a law enforcement officer and shall meet state law requirements. A student refusing to submit to such test will be assumed to be in violation of the policy.
