

**Early Graduation  
Board of Education  
Wrightstown Community School District**

---

The Wrightstown Community School District recognizes that students learn and mature at widely differing rates and that some students may be prepared to accept and take advantage of career and educational opportunities before the end of four years of high school. The Board also recognizes that some students complete all graduation requirements prior to completing four years of high school.

Students may apply for early graduation by submitting an Early Graduation Request to the high school principal, prior to the end of the first semester of their senior year, in accordance with school regulations. The principal may recommend approval for this request to the Board of Education if all conditions for graduation are met and the student fulfills the graduation requirements. If approved, the student will complete high school at the end of the first semester. The student may participate in the graduation ceremonies with their designated class.
