

The Brandon Groh Memorial Scholarship

2 - \$750.00 Scholarships

Brandon was an ambitious, hardworking young man who had many goals he wanted to accomplish. He was a 2018 Wrightstown High School graduate and had just graduated from NWTC with a degree in welding and was about to pursue a career in this field. He had a passion for the outdoors. He loved hunting, fishing, four-wheeling, and farming. Brandon had a natural gift of helping and including others. Unfortunately, at 20 years old he passed away in his sleep from a disease called Myocarditis. Myocarditis is a disease many individuals are unfamiliar with even those working in the medical field. Myocarditis typically affects otherwise young, healthy individuals and is the 3rd leading cause of sudden death in children and young adults. We would like to carry on Brandon's

legacy and raise awareness about Myocarditis by helping two individuals pursue their goal in a passion of Brandon's who also demonstrates good character.

DEADLINE: April 30, 2024

Eligibility Requirements:

- ❖ Graduating senior from Wrightstown High School
