

Scholarships for High School Seniors

Paying for college is one of the biggest concerns for both students and parents. One way Fox Valley Tech can help lighten the burden is through scholarships. Last school year, we awarded more than \$635,000 in scholarships, which benefited 1,000+ high school and current students. This is free money that students don't have to repay.

It's **free and easy to apply** - no essay required. Just fill out **one form** and we'll do the work to determine the scholarships you may be eligible for. We have scholarships available for financial need and specific program areas, as well as academic grades.
