### **Standing Order for Stock Epinephrine Auto-Injectors for School Year:** **2024-2025**

All appropriate medical and trained school personnel (including, but not limited to, any Registered Nurse) employed by or acting on behalf of the school system may administer Epinephrine via an undesignated Epinephrine auto-injector to an individual using professional judgment to determine if the individual is experiencing potentially life-threatening allergic reactions, such as anaphylaxis.

Students weighing over 60 pounds – Epi-Pen Auto-Injector 0.3mg

Students weighing under 60 pounds – Epi-Pen Auto-Injector 0.15mg

9-1-1 Must be called following Epinephrine administration
