

# Welcome Wrightstown Tiny Tigers

The Tiny Tigers program is for all families interested in learning more about the Wrightstown Community School District 4K program. The program is offered to any 3-4 years that are NOT currently attending 4K but are interested in attending the 4K program for the 2024-25 school year.

Through the Tiny Tiger program your child can...

- Meet the 4K team - teachers and staff
- Engage in a themed play day with literacy & math activities
- Interact with peers and future classmates
- Learn simple school routines - follow directions & listen to a story
- Meet other 4K families
- Get questions answered about the 4K program

We hope that the Tiny Tiger program will provide opportunities to get your child excited about their first school experience. Our 4K team is eager to meet your child and learn more about your family soon!
