LESS CLIPPING and MORE SCANNING is the future for Box Tops

As much as we would LOVE to count these box tops that were turned in (shown in the picture below), unfortunately they can no longer be physically counted and sent in for credit, but must be redeemed electronically instead.

When you see these box tops on packages, it means you need to log into the Box Top app and scan your receipt (within 14 days please) to give credit to our school.

We can continue to

accept these Box Tops

as long as they are not expired (last collection date is March 2023 from what I have seen) but the rate of scannable tops are going to increase over time, while the clippable tops will decrease. If we don't make adjustments to stay with the changes, we will lose out on lots

of free money for our school. Free money that helps buy extra needs for our children's classrooms or allows us to plan fun activities and make school even more fun for our kids.

On the next page, you will find information on downloading and using the App.

Download or update the Box Tops for Education app from the App Store or Play Store. Follow prompts to setup, and select **Wrightstown Middle** as your school.

To scan receipts and get credit for digital Box Tops:

1. Open the Box Tops app on your phone or tablet
2. Tap the blue Scan button at the bottom of the screen to open the camera function
3. Place store receipt on flat surface, and hold phone over receipt.
4. Move phone so that edges of receipt are showing on screen, and receipt is in focus. Tap white circle at bottom of screen to take picture.
5. If receipt is long, tap + to add additional sections until entire receipt is captured.
6. Tap ✓ to submit your receipt and instantly credit WMS for your Box Tops!
7. You should receive an on screen confirmation with confetti showing your total earnings. If the app misses a Box Top item, simply tap Report Missing Earnings to request the credit.
