2. _____	
----------	--

STUDENT'S Signature	Date
---------------------	------

PARENT'S Signature	Date
--------------------	------

ADVISOR'S Signature	Date
---------------------	------

MATH TEACHER'S Signature	Date
--------------------------	------

Choose courses carefully. This data is used to form classes, plan the master schedule, and assign teachers for the school year. Once the master schedule has been developed, changes in course requests will be made VERY SPARINGLY and only with SIGNIFICANT JUSTIFICATION. Your signature indicates that these course selections are final. **It is the responsibility of the student to ensure they are meeting graduation requirements.**
