ECO club celebrates Earth Week at WHS!

WHS will once again host activities during Earth Week starting **April 22nd (Earth Day) - April 25 (Arbor day)**

During Earth week students can **earn raffle tickets for participation** in numerous activities like:

- *Dressing in the color of each day's environmental theme (obviously Earth Day is Go Green)!
- *Submitting photos of their family's garden space(s) via email to Mrs. Kuhn: kuhn@wrightstown.k12.wi.us
- *Building Bee, Butterfly, Bat houses for use on school property (or to take back home after submitting)
- *Collecting old unwanted clothes, shoes, books....donations then shared with local needy groups! 👍

New this year: Donate old **Wrightstown gear** = double tickets!

(our ECO club will be hosting a _in the future so that students can help themselves to Tiger gear)

*ECO club members will be busy working outside on our Outdoor Classroom, sidewalk chalking & helping plan for elementary and middle school events as well!

If you'd like to help get involved with Earth Week as a parent or organization, please consider:

- *donating a prize to the Earth week raffle drawing - contact Mrs. Kuhn at email above or call the WHS office at 532-0525 and ask to speak to Mrs. Kuhn
- *donating a minimum \$100 to have a loved one memorialized on a bench in our Outdoor Classroom (our old benches are falling apart from 20 years ago). The cost would cover a metal plaque on the back of the bench and help in replacing our benches!! The sturdy benches we need are close to \$500! 😲
- *Consider donating some of the items listed above to our Clothing/Shoe/Book drives!

*Thank you to the sixteen teachers who have already generously donated prizes to motivate students to participate, including baked goods, extra credit, free pass homework slips, gift cards, etc. 👍

FBLA Used Eyeglasses & Hearing Aides

FBLA is running its annual used eyeglasses and hearing aid drive and would like your help for those in need. It will be running during the month of April. Please bring in your old, unwanted eyeglasses or hearing aids. Drop-off boxes are in the office, Mr. Doell's room, Dick's Family Foods, Unison Credit Union, and the Brown County Library—Wrightstown Branch.

NURSES NOTES

Wisconsin has updated its immunization requirements for school entry. Vaccination changes for the 2025-2026 school year impacting your child entering the 12 grade are:

A booster dose of Meningococcal vaccine for those students that have already had the first dose in 7th grade or a single dose for those students that haven't had any doses. Please set up an appointment with your provider over the summer to address these changes.

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site **using these instructions**. Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.
