2024-25 FORWARD EXAM STATE TESTING (Grades 5 - 8)

Wisconsin Students in Grades 5-8 will be participating in the WI FORWARD assessment during the March 24th-April 17th testing window.

The FORWARD assessment tests students in the areas of ELA and Math for grades 5-8 and also Science and Social Studies for our 8th graders. One or more subtests may be administered daily during the identified time frame and it is very important that your son or daughter be in school during this time. Students not in school on the scheduled testing days will be scheduled for a make-up test prior to the close of the testing window.

The FORWARD assessment measures the knowledge and skills your student(s) should have acquired by the time they reach each grade level. Their performance on the assessment will not affect any of their current grades. Please encourage your son or daughter to take the test seriously and do the best they can. The results of these tests will be used to help school staff make determinations or placement in classes to best support your child(ren).

> Please check the <u>WMS home page</u> for daily announcements and updates as well as the Monthly Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

PRE-ARRANGED ABSENCES

If your child will be missing one or more days of school due to vacation, deer hunting, etc. Please have your child stop in the office to pick up a pre-arranged absence form. This form is used to notify students of any homework they will be missing. After parent signature the child should return this form to the office prior to their absence.

NURSE NOTES

Wisconsin has updated its immunization requirements for school entry. The changes that will impact your child for the coming year are as follows: For students entering the 7th grade the vaccine requirements are: (1) Menin-gococcal and the Tdap booster. Please make an appointment to receive these before the 2025-2026 school year.

If your child has a fever, please do not give them Tylenol or Ibuprofen and send them to school. Keep your child home for 24 hours after fever subsides and temperature is below 99°F.

Please keep your child home if they wake-up during the night not feeling well; complaining of a headache, body aches, sore throat, stomach ache, has periods of frequent coughing, or has vomited during the night or in the morning.

Battle of the Books State Results are in!

Congratulations to Ellyse Dercks, Lilly Marcoe, Gwen Jahn, and Olivia Thyes for taking 22nd place out of 162 teams in the middle school division! Our 5th grade team didn't end up scoring in the top half, but they worked hard and did a great job as well! All our Battle of the Books Participants worked hard this year and should be proud of themselves. Let's get geared up for next year's battle!!!
