Sources of Strength Holiday Food Drive

The students at Wrightstown High School will be participating in our 5th annual Sources of Strength Holiday Food Drive for local families **November 19 – December 6**. Each homeroom will provide a holiday meal for one local family by donating all of the items on their grocery list. Local families will receive the meals before the holidays. Email Jennie Barnes at barnes@wrightstown.k12.wi.us, Lisa Braun at braun@wrightstown.k12.wi.us, or Jessica Pennenberg at Pennenberg@wrightstown.k12.wi.us if you or your organization would like to be a part of this campaign! Opportunities to Volunteer in our Community

Safe Families for Children Northeast Wisconsin is a 501(c)(3) designed to provide support networks to isolated families by connecting them to a caring and compassionate community. The mission is to support and stabilize families, prevent child abuse and neglect, and reduce the number of children entering the child welfare system

Our volunteers provide support for families:

- Experiencing a medical emergency
- Struggling with unemployment
- Experiencing homelessness
- Participating in substance abuse rehabilitation
- Attending inpatient mental health treatment
- Who identify as isolated/alone during a crisis

If you are interested in becoming a volunteer, please contact Melissa Viste at Viste@wrightstown.k12.wi.us. You can make a difference in the lives of the children in our community!

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site [using these instructions](#). Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

Students Stopping Crime is a way for students to anonymously report on activities (including weapons, drugs, alcohol and bullying) that impair their schools safety environment or threatens their personal safety or that of other students.
