Please check the [WMS home page](#) for daily
announcements and updates as well as the Monthly
Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

PRE-ARRANGED ABSENCES

If your child will be missing one or more days of school due to vacation, deer hunting, etc. Please have your child stop in the office to pick up a pre-arranged absence form. This form is used to notify students of any homework they will be missing. After parent signature the child should return this form to the office prior to their absence.

SKY ALERT NOTIFICATIONS

Please keep all phone numbers and email addresses updated in Skyward. Throughout the year, several email notifications are sent via email regarding report cards, important athletic information and any delays or school closings due to bad weather. You will not receive these notifications if your email address is not updated in Skyward.

NURSE NOTES Please keep your child at home if they are sick!

It is recommended that students be fever-free (less than 100.4 degrees Fahrenheit without the use of antipyretic medication) for 24 hours before returning to school.

Vomiting: Students may return to school 24 hours following the last episode of vomiting if fever has resolved and no other symptoms have developed.

Please send all health concerns to wishart@wrightstown.k12.wi.us.
