Junior Parents - ACT Prep Class

All juniors will be taking the mandatory ACT Plus Writing college admissions exam at WHS on Wednesday, March 13, 2024. You will be receiving details from the WHS front office soon regarding the test date.

Students are not considered registered until payment is received. We will have teachers from the different subject areas review each section of the exam with the students. Students may attend any portion they feel is relevant for them.

The review will cost \$20 per student, regardless of how many sessions are attended. Students will need to bring a CALCULATOR and No. 2 pencils to class.

Here is the **TENTATIVE** ACT Prep Class schedule:

Monday: 3:30-6:00pm? Take the ACT practice exam
Tuesday: 3:30-5:30pm Review English Section
Wednesday: 3:30-5:30pm Review Math Section
Thursday: 3:30-5:30pm Review Science Sections

An email will be sent to all junior parents once the prep class details are finalized.

SCHOOL SAFETY

Students need to be using the crosswalks and watch out for traffic before crossing. Many of you are just walking or running out into traffic without looking or setting off the crossing light.

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site **using these instructions**. Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.
