WMS SPRING ATHLETICS

Middle school students, along with a parent or guardian, who plan on participating in any athletic sports offered during the school year, need to be registered in the [Activity Registration Portal](#). Your registration will allow the coaches to contact you. Without registration or a current **physical** on file, your son/daughter will not be allowed to participate.

Parents need to create a family account, and then register their son/daughter for those athletics they would like to participate in. For students enrolled at WMS, the Student ID is your child's 6-digit Skyward ID.

After registration is completed and a current physical has been uploaded, you can reference the WMS website and click on the athletic you are registered for to view [coach information](#).

All practice and game schedules can be found on [rSchool](#)

If you have any questions regarding practice/game schedules, please contact the coach via email.
