GRADE 5 - DARE PROGRAM

All 5th graders will be starting DARE with Officer Jessica the week of January 6th. DARE will be held once a week for all 5th graders.

DARE is a 10 week program that teaches students good decision-making skills and helps them lead safe and healthy lives. The curriculum teaches the foundational skills that youth need to be safe, healthy, and responsible in leading drug-free lives.

*"The only way to do great work
is to love what you do."*

Steve Jobs

Please check the [WMS home page](#) for daily announcements and updates as well as the Monthly Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

SKY ALERT NOTIFICATIONS

Please keep all phone numbers and email addresses updated in Skyward. Throughout the year, several email notifications are sent via email regarding report cards, important athletic information and any delays or school closings due to bad weather. You will not receive these notifications if your email address is not updated in Skyward. Thank you!

NURSE NOTES

Please keep your child at home if they are sick!

If your child has a fever, please do not give them Tylenol or Ibuprofen and send them to school. Keep your child home for 24 hours after fever subsides and temperature is below 99°F.

Please keep your child home if they wake-up during the night not feeling well; complaining of a headache, body aches, sore throat, stomach ache, has periods of frequent coughing, or has vomited during the night or in the morning.

In order to serve our student population with health plans, please make sure I am notified immediately of any changes. Those changes need to be updated on your child's plan. I will notify staff and enter the changes in skyward. Please call Debbie Wishart @ 920-532-5553 ext. 5016 or email wishart@wrightstown.k12.wi.us with any questions.

The Battle is heating up!!! Battle of the Books meetings for this month are on January 10th and 24th.

The mini battles will begin to determine which teams will move on to the State Battle.

Make sure to keep reading those books!!!

The safety of our students has always been the first concern when bus company and school officials make the decision to close or delay school. The bus company manager consults with the school superintendent and they review all weather and road information available. The decision is based on reports from the Highway Department, Sheriff's Department, National Weather Service, local area road spotters, networking with area school superintendents and other bus companies. Weather is monitored throughout the night and an early morning decision is usually made before 6:30am.

Remember that if school is not called off, but parents think it should be, parents have the option to keep their children home or pick them up early and they will be given a fully excused absence. Buses are operated by an experienced and safety conscious crew of drivers. All buses have two-way radios and spare buses are available to send out in case a bus should stall, get stuck or break down. When school is closed, all school activities will be cancelled for that day and evening unless exceptions are announced.

Tiger Talk

Attention 8th Grade Parents

8th Grade Tiger Talk meetings will be taking place during the month of December to February. Families can sign up for these meetings Face-to-Face, Google Hangout (Virtual) or phone conference.

8th Grade Tiger Talk Sign Up

The purpose of Tiger Talks are for students and families to have open conversations about high school and to allow WMS students to explore and discuss some of their achievements, abilities and career interests with their parents/guardians. At your students Tiger Talk we will be discussing High School Transition and your student will be sharing the careers they have explored and their learning styles.

If you have any questions feel free to contact Mrs. Prodell at (920)532-5553 or email prodell@wrightstown.k12.wi.us.
