Parents, if your student is interested in participating in a spring sport, please complete registration in our Activity Portal (listed below) and be sure they have a current physical form on file with us.

ATHLETIC/ACTIVITY REGISTRATION - SPRING SPORTS

If your child plans on participating in any athletics or activities offered during the school year, you will need to register them using this link: [Activity Registration Portal](#). The detailed instructions are listed on the webpage. The student will need to complete the code of conduct portion along with you.

Without registration, your son/daughter will not be allowed to participate. The process will need to be done each school year using the same family account.

Physicals: Students registering for athletics must have a current physical exam form on file with us (uploaded to the activity portal) before the student is authorized to participate in tryouts/practice. If you are unable to upload the form, you can bring the form to school and we can upload it for you.

Bellin FastCare locations in Green Bay are currently offering sports physical walk ups for \$20. Please bring the [sports physical form](#) to be completed by the doctor.

Please contact the Activities Department with any questions at 920-532-0525.

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site [using these instructions](#). Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

Seniors need to supply **2 pictures for this year's senior slideshow**:

2. A favorite picture of yours, such as with friends, sports, hobby related

Please provide a hard copy to Mrs. Bailey or submit an electronic copy of it to bailey@wrightstown.k12.wi.us
