The poster features a dark blue background with a halftone dot pattern. At the top center is a logo for "MARCH MADNESS" with a colorful wheel icon. On either side of the logo are yellow starburst graphics with the word "FREE!" in red. Below the logo, the text "BEAN BAG TOURNAMENT" is written in large, bold, orange letters. Underneath that, in a smaller, white, cursive font, is the phrase "Grab a friend and join the fun!". The main body of the poster contains a list of events in green-bordered boxes. Each box has a date on the left and the event name on the right. At the bottom left, there is a small photo of a blue bean bag toss table with two orange bean bags. Sources of Strength will be soon hosting our annual bean bag tournament for all WHS students and staff. This is a free event that we encourage all students to participate in, regardless of skill level! All games will take place during lunch and homeroom culminating in the championship game at a Sources of Strength assembly on April 4th. Getting involved in school activities creates a sense of community and connectedness that everyone can benefit from. Encourage your high school student to participate!

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site [using these instructions](#). Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.
