## 2024-25 FORWARD EXAM STATE TESTING (Grades 5 - 8)

Wisconsin Students in Grades 5-8 will be participating in the WI FORWARD assessment during the March 24th-April 17th testing window.

The FORWARD assessment tests students in the areas of ELA and Math for grades 5-8 and also Science and Social Studies for our 8th graders. One or more subtests may be administered daily during the identified time frame and it is very important that your son or daughter be in school during this time. Students not in school on the scheduled testing days will be scheduled for a make-up test prior to the close of the testing window.

The FORWARD assessment measures the knowledge and skills your student(s) should have acquired by the time they reach each grade level. Their performance on the assessment will not affect any of their current grades. Please encourage your son or daughter to take the test seriously and do the best they can. The results of these tests will be used to help school staff make determinations or placement in classes to best support your child(ren).

*"Everything you've ever  
wanted is sitting on the other  
side of fear."*

Please check the [WMS home page](#) for daily  
announcements and updates as well as the Monthly  
Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

## PRE-ARRANGED ABSENCES

If your child will be missing one or more days of school due to vacation, deer hunting, etc. Please have your child stop in the office to pick up a pre-arranged absence form. This form is used to notify students of any homework they will be missing. After parent signature the child should return this form to the office prior to their absence.

## NURSE NOTES

**Please keep your child at home if they are sick!**

If your child has a fever, please do not give them Tylenol or Ibuprofen and send them to school. Keep your child home for 24 hours after fever subsides and temperature is below 99°F.

Please keep your child home if they wake-up during the night not feeling well; complaining of a headache, body aches, sore throat, stomach ache, has periods of frequent coughing, or has vomited during the night or in the morning.

In order to serve our student population with health plans, please make sure I am notified immediately of any changes. Those changes need to be updated on your child's plan. I will notify staff and enter the changes in skyward. Please call Debbie Wishart @ 920-532-5553 ext. 5016 or email wishart@wrightstown.k12.wi.us with any questions.

Congratulations to our Battle of the Books participants! It has been a tough battle, but everyone ended strong.

Congratualations to our teams who qualified for the State Battle! Our 7th & 8th grade division finalists were Ellyse Dercks, Gwen Jahn, Lilly Marcoe, and Olivia Thyes. Our 5th & 6th grade division finalists were Camryn Arendt, Kenley Krentz, and Mayla Miller.

Great job to all our Battle of the Books participants.!!!

## WMS SPRING ATHLETICS

Middle school students, along with a parent/ guardian, who plan on participating in any athletic sports offered during the school year, need to be registered in the [Activity Registration Portal](#). Your registration will allow the coaches to contact you. Without registration or a current [physical](#) on file, your son/daughter will not be allowed to participate.

Parents need to create a family account, and then register their son/daughter for those athletics they would like to participate in. For students enrolled at WMS, the Student ID is your child's 6-digit Skyward ID. After registration is completed and a current physical has been uploaded, you can reference the WMS website and click on the athletic you are registered for to view [coach information](#).

All practice and game schedules can be found on [rSchool](#)

If you have any questions regarding practice/game schedules, please contact the coach via email.
