FINE ARTS NIGHT IS MAY 15!

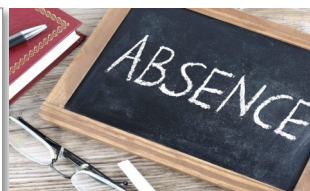

Join us for an evening to celebrate the arts! Fine Arts Night is from 6:00-8:00pm in the High School Commons. The awards portion of the evening will begin at 7:00pm. All students who have been enrolled in an art class this year will have work on display. Awards will be presented for excellence in Forensics, Music, Theatre, and Visual Arts. Invitations with RSVPs will be given to students who will be receiving an award at Fine Arts Night.

Please return RSVPs or email your response by Friday, May 10th, so we can plan accordingly. Students receiving awards and not present at FAN will get their award the following week at school.

*"I never dreamed about success,
I worked for it."*

Please check the [WMS home page](#) for daily announcements and updates as well as the Monthly Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

SKY ALERT NOTIFICATIONS

Please keep all phone numbers and email addresses updated in Skyward.

Throughout the year, several email notifications are sent via email regarding report cards, important athletic information and any delays or school closings due to bad weather. You will not receive these notifications if your email address is not updated in Skyward. Thank you!

NURSE NOTES

All medications need to be picked up by Wednesday, June 5, at 12:00pm. Any medications, inhalers or Epi Pens left at school after June 5 will be taken to the drop off site for disposal. Please watch for new health plans for next school year, which should be arriving mid-June.

ART CLUB

ART CLUB is open to all students in grades 5-8; students can join any time. 5th and 6th grade students will meet on different dates than the 7th and 8th grade students due to our large numbers. Updates will be posted in our google classroom page (if your child has not added Art Club on google classroom yet, the code is 7lr4pjp). We meet approximately every other Monday after school from 3:20 to 4:15. [Click here for our full calendar.](#)

MAY ART CLUB

5/6 Grade - May 20 7/8 Grade - May 6

ONLINE ART PORTFOLIOS Students keep their artwork in the classroom until the end of the quarter. If you are interested in seeing what they have been working on, please visit your child's [online art portfolio!](#)

May's Art Club meeting will be Tie Dye! Please remember to wear (or bring) clothes and shoes that can get stained. No matter how careful we are, there's always someone who ruins some clothing. Please also bring something(s) to tie dye. Common items are shirts, socks, pillowcases, tote bags, sweatshirts, towels, etc.

At the end of May, your child will be participating in a Human Growth and Development "Chat for Change" lesson. This lesson is provided to students in a gender specific format, and is led by school counselor, Mrs. Ederer and health teacher, Mr. Schaefer.

Please be on the lookout for a letter that will be sent home detailing what we will be covering. The form will also allow you to opt your child out of the material. If you have any questions after you receive the form, please feel free to email:

Mr. Schaefer @ schaefer@wrightstown.k12.wi.us or
Mr. Caelwaerts @ caelwaerts@wrightstown.k12.wi.us

Thank you!
Mr. Schaefer, 7th Grade Health Teacher
