These links will also be posted on the High School website.

DRIVERS EDUCATION

This class is provided by Tri County Driving School and is taught at Wrightstown High School. Students must be attending WHS. Visit <http://www.tricountydrivingschoolinc.com/> for information. They handle all class registration and payments.

Blocked Emails

Parents/Guardians:

If you have any problems getting emails through to any of the teachers or staff in the District, please contact Kris Baeten at 920-532-0525 ext. 5012 or Matthew Winrich at ext. 5004. Our filtering software will block from some outside domains and we will need to Whitelist your email address to assure your email is received.

WHS ANNUAL FALL CRAFT SALE - Saturday, October 14, 2023 (9:00am-2:00pm)

Parent Volunteers and Student Volunteers Needed

The craft sale is our largest fundraiser. That being said, we NEED parents to pick a slot or two to volunteer. The shifts are typically two hours long and only require that you show up and work. Everything is well organized and easy to do.

Here is the SignUp Genius link: <https://www.signupgenius.com/go/20F0B4AABAC28A64-20232>

Student volunteers can sign up in the Counseling Office and can add these volunteer hours to their resume, college applications, and scholarship applications.

Here is the link to our website for craft sale details: <https://www.wrightstown.k12.wi.us/high/craft-sale.cfm>. Vendor spots are full.

WORK PERMIT INFORMATION

As you may have heard, the Department of Workforce Development's Equal Rights Division has developed a new online work permit application tool. The Division carefully considered the lessons of the past few years, when pandemic restrictions made it nearly impossible for some minors to obtain work permits and decided to pursue an online application that would be available to the parents of minors 24 hours a day, 7 days a week from any computer, tablet, smartphone, or similar device. The application improves accessibility for minors who live in rural or underserved areas and eliminates the difficult logistics involved in working parents having to take off work to make a trip to a work permit office.

Parents can access the site **using these instructions**. Payment is made directly to the department through the application, using a credit or debit card or by ACH direct withdrawal. Once the permit application process is complete, the Department mails a paper copy of the permit directly to the employer.

ATHLETIC AND NON-ATHLETIC ACTIVITY REGISTRATION

The school year is in full swing!

If you haven't done so already, please complete your son/daughter's registration as soon as possible! This will allow the coaches/advisors to contact you. Without registration, your son/daughter will not be allowed to participate.

Here is the link to register: [Activity Registration Portal](#). Please be sure to choose the correct registration form. The student will need to complete the code of conduct portion along with you.

Returning User: Login to your family's account as a returning user, click "Register" to complete the steps and submit registration. The form will auto-populate the answers based on your previously submitted registration. Please review and edit the answers as needed.

New User: Parents/guardians will create a family account, register their son/daughter for their activity and complete the required steps. For WHS students, the Student ID is your child's 6-digit Skyward ID.

Physicals: Students registering for athletics must have a current physical exam form uploaded to the activity portal before the student is authorized to participate in tryouts/practice. If you are unable to upload the form, you can bring the form to school and we can upload it for you.

Bellin FastCare locations in Green Bay are currently offering sports physical walk ups for \$20. Please bring the [sports physical form](#) to be completed by the doctor. To ensure clearance for participation, physicals should be completed and uploaded to this account no later than 3 school days prior to the first day of practice/tryouts.

Please let us know if you have any questions.

STOPPERS

Students Stopping Crime is a way for students to anonymously report on activities (including weapons, drugs, alcohol and bullying) that impair their schools safety environment or threatens their personal safety or that of other students.

Is your child college ready? Students who work with a career coach are typically more confident in their decision to attend college and leave with a clearer idea on their next steps. Wrightstown High School would like to welcome back **Carla Zellmer** from NWTC in her third year with us. She will compliment the high school counselors with being the technical college guru, but also supporting students with post-secondary planning. Along with the high school counselors, Carla can help students with career and program exploration, program shadows, application process, financial aid, and discussing the transition to NWTC.

In Partnership with Northeast Wisconsin Technical College Carla Zellmer will be available to students every Tuesday on school days from 8:00 am to 2:00pm in the Counseling Services Office.

Students can schedule an appointment by stopping in the Counseling Office to book an open time slot. OR directly contact Carla through email, carla.zellmer@nwtc.edu or send a text message to 920-498-5489 to set up an appointment.

About Carla: Carla is originally from Stevens Point, WI, but transitioned to Northeast WI to complete her *BA at Lawrence University as a History major*. She later received an *MS degree in Educational Leadership from Fielding University*. Carla brings 16 years of experience working in education and is passionate about student success. She looks forward to working with students in our counseling services office the remainder of the school year.
