When signing up, please notice the tabs at the top of the sign up. Choose the appropriate grade/teacher and find a convenient time for you to meet with your child's teacher. **We ask that you only meet with one pair of Core teachers to allow a time slot for all families.** If you would like to meet with an Encore or other special teacher, please sign up accordingly to leave yourself adequate time to go from one meeting to the next. We want to stay on schedule in order to show respect to everyone's schedule.

"Every day may not be good...but there is something good in every day."

Please check the [WMS home page](#) for daily announcements and updates as well as the Monthly Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

SKY ALERT NOTIFICATIONS

Please keep all phone numbers and email addresses updated in Skyward.

Throughout the year, several email notifications are sent via email regarding report cards, important athletic information and any delays or school closings due to bad weather. You will not receive these notifications if your email address is not updated in Skyward. Thank you!
