Monday, October 7th, an email will be sent with instructions along with a link to sign up for Parent/Teacher Conferences.

Sign up will close on Sunday, October 20.

When signing up, please notice the tabs at the top of the sign up. Choose the appropriate grade/teacher and find a convenient time for you to meet with your child's teacher. **We ask that you only meet with one pair of Core teachers to allow a time slot for all families.** If you would like to meet with an Encore or other special teacher, please sign up accordingly to leave yourself adequate time to go from one meeting to the next. We want to stay on schedule in order to show respect to everyone's schedule.

Please check the [WMS home page](#) for daily announcements and updates as well as the Monthly Newsletters and Important Flyers.

Absences should be called into the office at (920) 532-5553 by 8:30AM or parents will receive an automated phone call regarding their absent child. Please call the office if you have a late day message for your child. We will do our best to get the information to them. (Please do not call or email the teachers directly as they are not always able to check their email or listen to voice messages until after school.)

PRE-ARRANGED ABSENCES

If your child will be missing one or more days of school due to vacation, deer hunting, etc. Please have your child stop in the office to pick up a pre-arranged absence form. This form is used to notify students of any homework they will be missing. After parent signature the child should return this form to the office prior to their absence.

NURSE NOTES

Please keep your child at home if they are sick!

REMINDER: If you have any health plans, please make sure to return them as soon as possible. It is a state requirement that all 7th grade students need Tdap boosters and Meningococcal vaccines or waivers returned to the school office by October 11th.

If your child has a fever, please do not give them Tylenol or Ibuprofen and send them to school. Keep your child home for 24 hours after fever subsides and temperature is below 99°F.

Please keep your child home if they wake-up during the night not feeling well; complaining of a headache, body aches, sore throat, stomach ache, has periods of frequent coughing, or has vomited during the night or in the morning.

Opportunities to Volunteer in our Community

Safe Families for Children Northeast Wisconsin is a 501(c)(3) designed to provide support networks to isolated families by connecting them to a caring and compassionate community. The mission is to support and stabilize families, prevent child abuse and neglect, and reduce the number of children entering the child welfare system.

Our volunteers provide support for families:

- Experiencing a medical emergency
- Struggling with unemployment
- Experiencing homelessness
- Participating in substance abuse rehabilitation
- Attending inpatient mental health treatment
- Who identify as isolated/alone during a crisis

If you are interested in becoming a volunteer, please contact Melissa Viste at Viste@wrightstown.k12.wi.us. You can make a difference in the lives of the children in our community!
